

## **Surrey Choices Local Charity of The Year 2020 Nomination**

**As an organisation, we want to show support to charities that we know have contributed to improving the lives of people in Surrey.**

Since 2017, we have supported a range of charities including Canine Partners, Shooting Star Chase, Kent Surrey and Sussex Air Ambulance and most recently, The Fountain Centre, Guildford a charity for cancer patients, their families and Carers. Now we would like your help in finding our Charity of the Year 2020, by nominating your charity or one you support, by Thursday 31 October 2019!

After successfully meeting the eligibility criteria and submitting your application form, we will shortlist the top ten applications with the use of a scoring system between Tuesday 5 November – Tuesday 12 November and request a short video or presentation to showcase the nominated charity to be submitted by Wednesday 27 November. These will be presented to the people we support and our colleagues to decide on the winning application through a voting process. Voting will take place at the beginning of December, announcing the winner mid-December.

Good luck and get entering!

### **Application eligibility**

- You must be a not-for profit organisation
- You must have a registered charity number
- Provide community services or activities within Surrey, which are of benefit to the residents of the county

### **Applications that are not eligible**

We will not permit applications from:

- For-profit organisations
- Groups promoting a particular religious or political belief or activity
