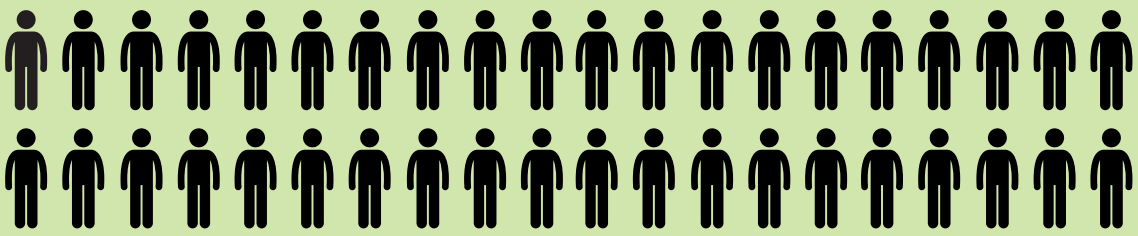
Changing Days

Survey feedback

Surrey Choices has been working with the National Development Team for Inclusion to help shape our Vision for Change



400 people were asked for their feedback

Families and Carers ranked these three goals as the most important for their family member

"People have friendships with people who like doing the same things"

"People have accessible places where they are welcome"

"People learn new skills and develop throughout their lives"

The top three things important to families and Carers

"I feel confident about my family member's future"

"I can trust Surrey Choices"

"I feel I am kept up to date with my family members support and team"

A new theme identified as important for families and Carers

"Feeling safe and secure in the community'

"Safe and familiar environments for activities"

"I am confident my family member is safe"

The most useful ways families and Carers would like to hear updates about their loved one

"Person Centred Reviews"

"Catch up calls"
